This meeting was held at the Waterbury State Office Complex. Beth Tanzman opened the meeting at 8:30 a.m.

Beth Tanzman presented the agenda and led introductions for the in-person participants. She asked that those participating on the phone send an email to Mara Donohue to record their participation.

Beth Tanzman and Mary Kate Mohlman presented (see attached slides) the Blueprint Data and Analytics Program and asked for discussion and feedback. Ms. Tanzman led dialogue about the Blueprint's regular data products and the studies that are underway, and facilitated a discussion about the Vermont Clinical Registry and the Vermont Health Information Exchange.

Beth Tanzman and the team reviewed the Blueprint Community Profiles with the participants, including updates to the documents themselves and the key findings and variations across communities.

Ms. Tanzman gave an outline of the Blueprint Annual Conference to be held on May 7, 2019. Because of the conference, the Committee will not meet in May.
